

## GENERAL MEETING – October 18, 2000

The September meeting was called to order at the Mission Valley Holiday Inn. Jim Nowlan got up and spoke a few words in honor of Vance Breshears's 40+-year career in Surveying at Caltrans. Jim tested Vance on antiquated items from his 30-year-old Caltrans Survey manual, but Vance had the answer every time. CLSA president Mike Butcher got up and presented Vance a plaque in recognition of his efforts to further the Surveying profession. Vance thanked Mike and spoke a few words. Vance indicated that one of the things he likes about the Surveying Profession is that it is a people business and that he has enjoyed the people he has worked with and met over his 40+ years in the business. Vice President Scott Hurst took the podium and thanked Vance for running a free LS review class for about eight years. Vance started these classes to help his own people get licensed then opened the courses to local Surveyors. Many locally licensed Surveyors owe a debt of gratitude to Vance and the Surveyors at Caltrans for the time they put in to helping Surveyors study for the exam.

Scott next introduced Eric Bauer from WINDATA 2000. Eric demonstrated his scanned assessor's mapping software and how it can benefit businesses.

Arnie was still on a plane, so Scott briefly covered a business meeting. Chapter CLSA mugs are available for purchase.

There are some seminars coming up including an ACSM "Surveying in the Courtroom" fall seminar and our own "mini-seminar" series. Due to the late hour we dispensed with the **committee reports** and adjourned for the evening.

Respectfully Submitted,
