**BYLAWS
OF THE
SAN DIEGO CHAPTER
OF THE
CALIFORNIA LAND SURVEYORS ASSOCIATION**

PREAMBLE

Recognizing that the true merit of a profession is determined by its service to society, the San Diego Chapter of the California Land Surveyors Association does hereby dedicate itself to advancing the profession of land surveying because of its social and economic contributions to the welfare of community, state, and nation.

**ARTICLE I
Name and Location**

Section 1. The name of this organization shall be the San Diego Chapter, hereinafter referred to as the "Chapter", of the California Land Surveyors Association, hereinafter referred to as the "Association."

Section 2. The Chapter headquarters shall be located at such location as determined by the Executive Board.

**ARTICLE II
Objectives**

The purpose of the Chapter shall be to further the common good of its members in their practice of land surveying, to encourage and maintain high standards of professional ethics and practices, to promote professional uniformity, to foster the public's trust of land surveyors, and to encourage its use of their services.

**ARTICLE III
Defined**

The Chapter shall be non-partisan and non-sectarian in its activities and membership. The Chapter is a subsidiary organization of the California Land Surveyors Association, which has been chartered as provided in these Bylaws.

Scope

The Chapter shall meet all requirements imposed upon the Chapter by the Articles of Incorporation and the Association Bylaws. The Chapter shall not take any action or publicly espouse any position contrary to any provision of the Articles of Incorporation, the Association Bylaws, or any position or resolution of the CLSA Board of Directors. Nothing in this section shall be construed to prohibit the Chapter from directing any Chapter Representative to propose and debate actions or positions at any Board of Directors meeting.

ARTICLE IV Membership and Dues

Section 1. The Chapter membership shall be as provided in the Association Bylaws. Applications for membership shall be submitted to the Chapter on a form approved by the Chapter. No person shall be eligible for membership in the Chapter unless such person is eligible for membership in the State Association.

Section 2. A Chapter member in good standing is a person whose dues and assessments are current in conformance with these Bylaws and who is not currently suspended by the Chapter.

Section 3. The Chapter annual dues and all assessments shall be recommended by the Executive Board and approved by a majority of those voting at a Chapter meeting. Dues shall be due on the first day of January of each year. Assessments shall be due and payable as specified in the motion establishing them. The Treasurer shall notify those whose dues or assessments are three (3) months in arrears. The Chapter membership of any person whose dues and assessments are not paid within fourteen (14) days thereafter shall be automatically terminated.

Section 4. Each Chapter member shall become an Association member within one year following their admission to the Chapter (as provided in Section 8.07 of the Association Bylaws). The Chapter membership of any person who fails to become an Association member, as described above, shall be automatically terminated and all dues and assessments paid to the Chapter shall be forfeited. No member may be a member of more than one chapter.

Section 5. Association admission, dues, and assessments are separate and controlled by the Association.

Section 6. A member may be expelled or suspended from the Chapter for willfully disregarding the Association's or Chapter's principles and purposes, or for conduct that is detrimental to the Association's or Chapter's welfare. Expulsion or suspension from the Chapter shall require a two-thirds majority of those voting at a Chapter meeting. Thirty (30) days notice shall be given to the alleged offending member so he/she may be present and heard, if he/she chooses, at the discussion of such action.

ARTICLE V Chapter Meetings

Section 1. A Chapter meeting is a meeting of the general membership at which Chapter business may be discussed and voted upon.

Section 2. All Chapter members in good standing shall have equal voting privileges except that only those Corporate Association members shall vote on Association business who are eligible to vote upon such business under the Association Bylaws.

Section 3. A regular Chapter meeting shall be held at such time and place specified by the Executive Board. In advance of each regular Chapter meeting, the Secretary shall notify in writing each member of the time and place of the meeting.

Section 4. A special Chapter meeting may be called by the President or the Executive Board. The purpose of the special Chapter meeting shall be stated in the call. Only matters enumerated in the call for a special meeting shall be discussed at the special meeting. Except in an emergency, at least seven (7) days notice shall be given.

Section 5. A quorum for a Chapter meeting shall be ten percent (10%) of the Chapter members in good standing.

The Chapter will be entitled to one representative on the Association Board of Directors for each 20 Corporate members, or fraction thereof, confirmed by the Association to be in good standing with the Chapter and the Association.

Section 5. At the regular Chapter meeting in August, the Nominating Committee, as set forth in these Bylaws, shall nominate candidates for Chapter officers.

Section 6. Elections shall be held at the regular Chapter meeting in September. At that Chapter meeting, but before the election, additional nominations from the floor shall be permitted. Section 7. If a vacancy occurs in an office other than the presidency, the vacancy shall be filled for the remainder of the term by majority vote of the Executive Board. If a vacancy occurs in the presidency, the Vice-President shall succeed the President for the remainder of the term.

ARTICLE VII Duties and Powers of Officers

Section 2. The Vice-President shall have such powers and duties as may be prescribed by the President and the Executive Board. Unless otherwise specified, the Vice-President shall arrange the program and place for each Chapter meeting and shall notify the Secretary of those arrangements at the Executive Board meeting preceding each Chapter meeting. The Secretary shall announce the time and place for the next Executive Board meeting at each Chapter meeting. The Secretary shall attend each Chapter meeting and Executive Board meeting and duly record the proceedings. The Secretary shall conduct the Chapter's correspondence and keep a full record thereof.

Section 4. The Treasurer shall receive all monies, dues, and assessments, and shall deposit them in the Chapter's name. The Treasurer shall pay Chapter obligations and shall report on the treasury at each Chapter and Executive Board meeting. The Treasurer shall make an annual report to the Association at the end of the calendar year.

Section 5. The Chapter Representatives shall be the Chapter's liaisons with the Association's Board of Directors. They shall represent the Chapter at Association Board of Directors' meetings, cast the Chapter's votes, and report thereon at the next Chapter meeting. The President shall name alternates to fulfill their duties during their absence.

ARTICLE VIII Executive Board

Section 1. The Chapter officers, including the Chapter Representatives, together with the Immediate Past President shall constitute the Executive Board. The Immediate Past President shall be the latest person, other than the current President, to have held the office of President before the close of a regular Chapter meeting in December.
